The performance security shall be forfeited in favor of the Municipality of San Francisco, Cebu in the event it is established that the winning bidder is in default in any of its obligations under the contract. Performance Security may be released after the issuance of the Certificate of Acceptance.

Dear Gov. Gwen,

Greetings!

The municipality of San Francisco is very much pleased to have received a Financial Assistance from your good office for various Infra Projects: Construction of Hardscape of the Proposed Promenade Phase 2 in the amount of FOUR MILLION PESOS (Php 4, 000, 000.00).

Sometime in March of 2024 there was a Supplemental Budget allocated for Phase 2 of the Construction of Hardscape of the Proposed Promenade so that the work for the said project will be continued considering that the town fiesta is fast approaching. The said Budget was only for the purchase and installation of concrete pavers/bricks at the front of the 2-storey market building which is part of the promenade.

Relative to this, I am respectfully requesting your good office for a REALIGNMENT of the above-stated Financial Assistance that instead of PHASE 2 the fund will be realigned to PHASE 3 so that the project: Construction of Hardscape of the Proposed Promenade completed.

It is hoped and prayed that this request will be given favorable consideration.

Thank you very much. To God be the Glory!
